

BIG HERO 6 - KAIJU WRESTLING FEDERATION

EXT. BIG CITY, DOWNTOWN, DAY.

Everything is quiet for a moment until suddenly a huge Lobster-like creature is thrown into a skyscraper, destroying it in the process. We zoom out to see it get up and lunge after a pink sparkling robot-like creature. Epic battle ensues.

EXT. WRESTLING ARENA, PARKING LOT, DAY.

Fred, Wasabi, Honey Lemon, Gogo, Hiro, and Baymax walk casually through the large parking lot toward the arena. Fred is wearing his original lizard mascot costume.

FRED

Thanks again for agreeing to come to this, you guys. I promise you will not be disappointed.

HONEY LEMON

Well it is your birthday, and we did say we would do whatever you wanted.

GOGO

(Aside, so Fred doesn't hear.)
Whose bright idea was that again?

HONEY LEMON

(Aside, so Fred doesn't hear.)
Wasabi.

WASABI

(Aside, so Fred doesn't hear.)
Hey, it's not my fault we all forgot it was his birthday, I had to think fast.

GOGO

(Aside, so Fred doesn't hear.)
And your answer was to give him free reign over the day?!

FRED
 (Suddenly jumping into
 conversation, playful.)
 Are you guys talking about me?

WASABI
 What? No, we were just-

FRED
 No, I get it, birthday stuff, I
 won't eavesdrop.

EXT. BIG CITY, DOWNTOWN, DAY.

More fighting between the lobster monster and the pink robot.

EXT. WRESTLING ARENA, PARKING LOT, DAY.

They continue walking to arena.

HIRO
 I didn't even know this arena
 existed in San Fransokyo.

FRED
 Well it used to be a donut factory
 that was shut down for failing to
 meet proper health requirements.
 It's too bad, too. Those cheesy
 donuts were heavenly. But you know
 what they say: from darkness, there
 is light!

GOGO
 What have we gotten ourselves into?

HONEY LEMON
 Relax, how bad could it be?

FRED
 Friends, welcome to the brotherhood
 known as ...

EXT. BIG CITY, DOWNTOWN, DAY.

Pink robot pile-drives lobster monster into large building.
 We zoom out quickly to show this is all happening small scale
 in a wrestling ring between two costumed wrestlers with
 cardboard buildings around them, in a wrestling arena
 surrounded by costumed fans excitedly chatting and cheering
 in the seating area.

As soon as the zoom out occurs, we can see in the corner Fred dramatically open the doors for his friend.

FRED
Kaiju Battle Royale!

HONEY LEMON
OK, it's bad.

CUT TO:

THEME SONG/OPENING CREDITS

INT. WRESTLING ARENA, DAY.

Fred walks his friends down to their seats in the front row. A short stout man dressed as a fried egg casually walks by.

FRIED EGG
Hi Fred.

FRED
Hey Pete.
(To his friends)
That's Pete. He's the CEO of a
major stock-trading company.

Fred leads them into the arena and towards their seats at the front row. As they walk, Fred casually greets fellow fans they pass.

FRED (CONT'D)
Hey Doug. Bennie, my man. Shirley,
love the costume.

WASABI
(To gang.)
What have we stumbled onto?

HIRO
Well whatever it is, one thing's
for sure: I think we found Fred's
people.

They pass a bunch of people dressed as strips of bacon lying on the ground while the man dressed as a fried egg gives them orders.

FRIED EGG
Sizzle, you strips of bacon!
Sizzle!
