

They both walk up to the front door.

SHELLEY  
Drumroll, please.

DOUG  
(Goat bleating sound.)  
Baaaaaaaah!

SHELLEY  
What are you doing?

DOUG  
Drumroll.

She stares at him. Shelley puts the key in the lock and turns it. The door slowly opens, creaking, almost on it's own.

DOUG  
Huh. Must be windy.

SHELLEY  
Is it?

Doug attempts to pick her up, but is failing.

SHELLEY  
What are you doing?

DOUG  
Carrying you...over...the  
threshold.

SHELLEY  
We're not married yet. You don't  
have to-

DOUG  
Come on, you weigh like 90 pounds.

He continues to struggle, despite the fact that Shelley is rather petite. He eventually half-drags her through the door. He puts her down as the camera follows them in.

DOUG  
There ya go.

SHELLEY  
Thank you.

DOUG  
(To camera.)  
So, here we are. Home sweet home-

Immediately, an overhead fan crashes to the floor directly behind them in the foyer from the second floor ceiling. They both react, startled.

SHELLEY

Oh my god, are you okay?!

DOUG

Yes, of course!

SHELLEY

Well can you take your claws out of me?

He lets go of her, looking up at where the fan fell from.

DOUG

So...we didn't like that fan anyway, right?

SHELLEY

Less work for us.

They high five.

DOUG

(To camera.)

Come on, let's take you on the grand tour. Here we have the staircase.

SHELLEY

(Quoting Ghostbusters.)

Hey, where do these stairs go?

DOUG

What?

SHELLEY

They go up! Ghostbusters.

DOUG

Oh, yeah! Duh. I was gonna say that.

SHELLEY

Well...

DOUG

(To camera.)

We're kind of nerds.

A ping-pong ball starts bouncing down the stairs. Doug and Shelley both stare at it until it finally hits the ground and lands in Doug's hand. Beat.

DOUG  
Was there a ping pong table  
upstairs?

Shelley shakes her head "no".

DOUG  
Huh.

He puts it up to his eye.

DOUG  
(To camera, mugging.)  
I seeee yooooou...

SHELLEY  
Please don't put that thing near  
your eye.

DOUG  
Right.

SHELLEY  
You don't know where it's been.

DOUG  
On with the tour!

They walk into the kitchen, the camera operator follows.

DOUG  
Here we have the bathroom. Just  
kidding, it's the kitchen.

SHELLEY  
We plan on replacing the cabinets,  
putting in a country sink, and  
adding granite counter tops.

DOUG  
And check out the view from the  
nook, it looks right onto the front  
yard. And we can wave to the  
neighbors across the street!

Doug and Shelley wave to the neighbors. The camera zooms in on an elderly couple standing on their front porch. They stare out, not waving back.
